

# 1 DECIDE HOW YOU BEST LEARN

## THERE'S 2 WAYS YOU CAN NAVIGATE THE PROGRAM

After signing up, you'll get access to all the learning movies and ebooks, so you can connect with the ten lessons instantly. Manifestor is a self lead learning journey, which means you're in the driving seat of how you want to learn. There are 2 different learning pathways and while neither is better than the other, it's beneficial to decide which is best for you. Consider each of these 4 choices below, then decide which way you will study. One will naturally resonate more with you. Do you....

<b>EXPERIENCE LIFE IN A LINEAR WAY</b>	<b>OR</b>	<b>EXPERIENCE LIFE IN A HOLISTIC WAY</b>
<b>PREFER STRUCTURE AND ORDER</b>	<b>OR</b>	<b>PREFER TO LIVE IN THE FLOW</b>
<b>LEARN BEST BY FOLLOWING A STEP BY STEP PROCESS</b>	<b>OR</b>	<b>LEARN BEST BY INTUITIVELY CREATING YOUR OWN PROCESS</b>
<b>PREFER SCHEDULING TIME TO LEARN IN YOUR DIARY</b>	<b>OR</b>	<b>PREFER TO LEARN WHEN YOU HAVE A SPARE HOUR</b>
If you resonate more with these preferences you'll like the <b>STRUCTURED 63 DAY PLAN</b>		If you resonate more with these preferences you'll like the <b>ORGANIC LEARNING PATHWAY</b>

## ORGANIC LEARNING PATHWAY

The organic learning pathway allows you to learn in a fluid manner. Every 7 days you will receive an email that reminds you to log in and keep learning. Seven of the lessons can be watched as stand alone lessons, and you can get to what you want in one click, using the Fast Track tool. There are three lessons which should be taken in order, otherwise they won't make sense. Get Clarity (lesson 4) helps you set intentions, which you'll need to Build your Vision (lesson 6). And you'll need a Vision in order to design the Milestones (lesson 7). Aside from this, simply follow your intuition and allow your manifestor learning journey to emerge as it wants to.

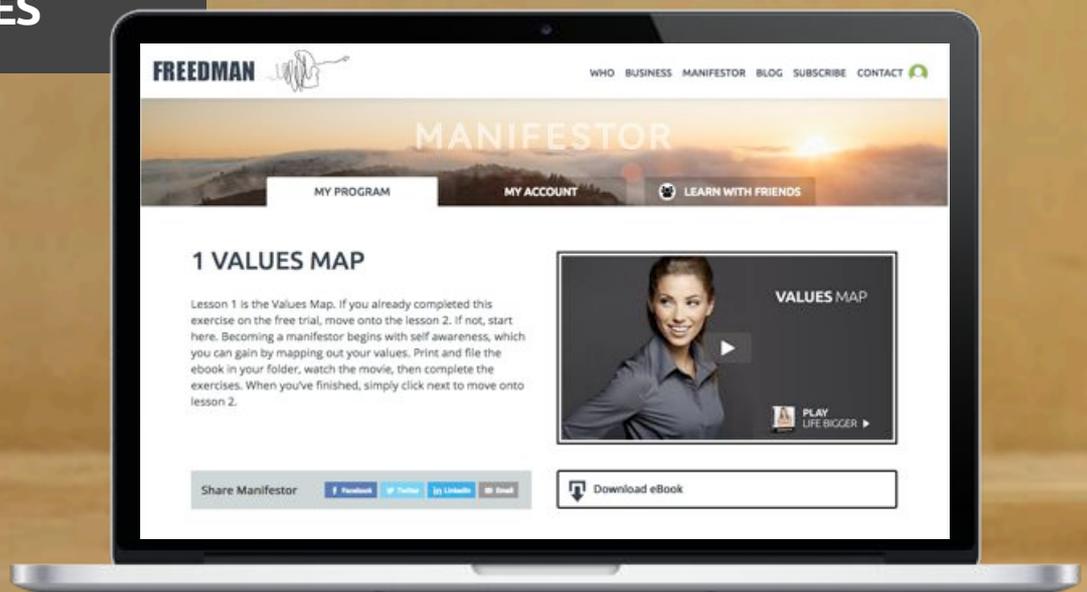

## 2 SET UP YOUR FOLDER

The manifestor folder is your special place where you'll be mapping out plans and visions for your future. Your folder is an emerging storybook of your journey. Each lesson you complete will bring a new level of wisdom into your life. It's here where you can store your 10 downloadable ebooks, make additional notes and store other important documents. My suggestion is to get an A4 ring binder and a 10 pack of dividers, then print the [front cover](#) and [contents page](#) and you'll be all set. Customise your folder & make it your own.

## 3 DEFINE YOUR VALUES

Did you complete the values map on the free trial? This is lesson 1, so if it's done then grab a copy of it for your folder and you'll be ready to get on with lesson 2. If not, then it's a good idea to do this first, to help anchor you into the manifestor learning journey.

Now it's time to [log in](#) and away you go!
